SICK LEAVE BANK

The Terrebonne Parish School Board recognizes that major illnesses and catastrophic injuries may warrant the need for additional sick leave days. The Board shall create and maintain a **Sick Leave Bank** which provides an opportunity for employees to donate sick leave days, which in turn may be used by employees in emergency situations when their own sick leave days have been exhausted.

Donations of sick leave days shall be made to the Sick Leave Bank and not directly to individual employees, shall be made by notarized *Acts of Donation*, and shall be made in accordance with other provisions of this policy. Once executed, any donation made shall be **irrevocable.**

Receipt of sick leave days from the Sick Leave Bank shall be based on a written application submitted by an employee to the Superintendent and/or his/her designee. Assessment and any decisions regarding the granting of days from the Sick Leave Bank shall be the responsibility of the Superintendent. His/her decisions shall be **final, and such decisions shall not be subject to review by the School Board or subject to the Board's grievance procedures.**

ADMINISTRATION OF SICK LEAVE BANK

Donations of sick leave days shall be made directly to the Sick Leave Bank. Three (3) separate accounts shall be established within the Sick Leave Bank: one for teachers, one for bus operators, and one for school employees. Donations to the Sick Leave Bank shall be credited to the appropriate account depending on the classification of the donor.

Applications for receipt of donated sick leave days from the Sick Leave Bank shall be in writing and include a statement from a licensed physician certifying a medical necessity for the employee to be absent from work. The application shall be submitted at least thirty (30) work days prior to the anticipated beginning date of leave. In cases of extenuating circumstances, the Superintendent may waive or alter the application deadline. Upon review of the applications, if questions about the validity or accuracy of the certification arise, the Superintendent may require additional medical certification as outlined under *Extended Sick Leave* in policy, F-11.4 Sick Leave.

*Medical necessity* shall be the result of a catastrophic illness or injury, which means a life-threatening, chronic, or incapacitating condition of the employee or a member of his/her immediate family. *Immediate family member* shall mean a spouse, parent, or child of the employee.

All records generated in the administration of the Sick Leave Bank, as well as the confidentiality of applicable records, shall be properly maintained by the Superintendent and
staff in accordance with statutory provisions.

Donor Eligibility of Sick Leave Bank Days

5. Employees wishing to donate sick leave shall complete the appropriate Act of Donation Form. The donation shall irrevocably relinquish all future claims and rights to such donated sick leave. The days donated shall be permanently deducted from the total number of accumulated sick leave days the employee has on the date the donation is approved.

6. All donations shall be strictly voluntary.

7. No transfer shall become valid until all forms, verifications and signatures have been completed and signed by the Superintendent.

In addition, those employees who receive annual leave shall have exhausted all annual leave time before becoming eligible to receive sick leave days from the Sick
